1. Skylight					
2. Other:					

**H. NEW EXTERIOR ENVELOPE PRODUCTS**

1					
2					

In addition to completing the above list of manufacturers, product descriptions and State approval numbers for the products used on this project, it is the Contractor's or Authorized Agent's responsibility to have a legible copy of each manufacturer's printed instructions, along with the list above, on the job site available to the inspector.

If the products listed above at time of plan review are replaced by different products, I understand that before these products can be inspected, they must be submitted for review for code compliance and approved by a Plans Examiner.
