The Government Finance Officers Association of the United States and Canada (GFOA) presented an award for Distinguished Presentation to the City of Gainesville for its biennial budget for the biennium beginning October 2, 2004.

In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

The award is valid for a period of two years. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.
