

Applying to the Bicycle/Pedestrian Advisory Board (BPAB)

BPAB advises the City Commission, County Commission and Metropolitan Transportation Planning Organization (MTPO) agencies. These BPAB agencies separately appoint 4 members to serve a 3-year term. The agencies appoint members based on vacancies from resignations and ending terms. You can check the current member roster list for vacancies and ending terms, BPAB agency websites may also have vacancies listed. Additionally, the City Commission appoints a student seat representative from local area education institution, for a 2-year term (appointment is made in the fall only).
